

# Mahdy Gribkov

Full Stack Web Developer with expertise in web application design

**Address:** Tel Aviv-Yafo, Tel Aviv District, Israel

**LinkedIn:** <https://www.linkedin.com/in/mahdy-gribkov-ba2707368/>

- Completed a Full Stack Web Development course at HackerU, laying a strong technical foundation with React.js, Node.js, and software testing. Recently worked as a Sales Associate at A.A.G Force, where contributions included maintaining a WordPress website and streamlining customer-facing operations.
- Previous freelance and team-based projects highlight versatility in web development and QA, including creating a web app with Google App Scripts and Vue.js. Brings a commitment to delivering user-centric solutions, adaptability, and effective multilingual communication to dynamic development environments.

## EXPERIENCE

### Israel

October 2022 - Present

#### Full Stack Web Developer

- Developed a web application using Google App Scripts and Vue.js, enhancing user experience for clients. • Designed and implemented a navigation bar for a tattoo company's existing web app, improving accessibility. • Completed various freelance projects, showcasing versatility in web development and design.

### A.A.G Force, Haifa

August 2024 - April 2025

#### Sales Associate

- Engaged with customers face-to-face to drive sales and enhance the shopping experience. • Utilized a priority system to streamline in-store operations, improving efficiency. • Maintained and updated a WordPress website, ensuring accurate product listings and minor fixes. • Provided exceptional customer service both in-person and over the phone, fostering customer loyalty.

### TankU, Haifa

July 2022 - December 2022

#### QA

- Conducted comprehensive manual QA, including regression and integration testing, ensuring high-quality software delivery. • Collaborated within an Agile workflow, enhancing team efficiency and product adaptability. • Implemented basic Python automation in a Linux environment, streamlining testing processes and reducing manual effort. • Thrived in a multilingual workspace, effectively communicating with diverse teams and stakeholders.

### Reva bar, Haifa

March 2018 - October 2019

#### Bar Manager

- Oversaw daily operations as the Restaurant Floor Manager at Reva Bar, enhancing customer experience and staff efficiency. • Implemented effective hiring strategies, resulting in a 20% reduction in staff turnover. • Managed inventory and stock levels, leading to a 15% decrease in waste and improved profit margins. • Spearheaded sales initiatives that increased overall revenue by 30% within one and a half years.
